The Honorable Rosal H. Hyde  
Chairman, Federal Communications Commission  
Washington 25, D. C.

Dear Mr. Hyde:

25X1

You are doubtless aware of recent informal conversations between Commissioner George E. Sterling of your organization and Major General [ ] of the Central Intelligence Agency regarding the forthcoming trip to the United States of two officials of the Yugoslav Government.

The purpose of this letter is to confirm arrangements made during these conversations looking toward a visit by the two Yugoslav officials to certain non-sensitive activities of the Federal Communications Commission at Laurel, Maryland. It is hoped that this visit will occur early in July, the exact date to be determined for the convenience of all concerned. If you concur in these arrangements, our representatives can work out appropriate details.

25X1

General [ ] and I deeply appreciate the cooperation of the Federal Communications Commission in this matter.

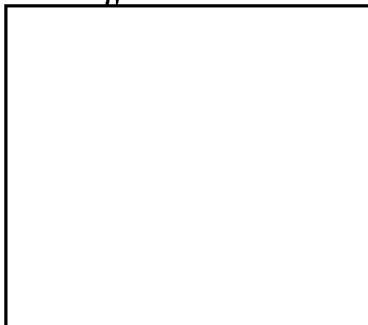

Sincerely yours,

SIGNED

ALLEN W. DULLES  
Director
